

Bringing Holiday Joy

In just a few months, we will be singing our favorite carol, enjoying the holiday lights, and gathering with family and friends. For many in Forsyth County the Holiday season is met with stress, fear, and sadness. As these parents work to make ends meet day-to-day, holiday gifts are simply an expense they cannot afford.

Last year, **The Place Holiday House** helped these parents provide joy for over 2000 children. We hope you'll let **The Place Holiday House** be your **PURPOSE** this holiday season!
