7<sup>th</sup> Annual  
The  
Place  
Holiday House

November - December 2021

Dear Community Partners,

The holidays will be here soon and we need your help to make this season a success. Last year, with the help of the community **The Place Holiday House** provided gifts for approximately **2,187** children. We anticipate this number increasing once again.

## How You Can Help

### Donations

We are asking for donations of toys and items to create a holiday gift shop for parents to fulfill the wishes of over **2100 children**.

If you would like to host a gift drive, please email [HolidayHouse@theplaceofforsyth.org](mailto:HolidayHouse@theplaceofforsyth.org) for additional information and supplies. Or, if you would like to give financially or shop our online wish list (Amazon), you can do so through our website: [www.theplaceofforsyth.org/holidayhouse](http://www.theplaceofforsyth.org/holidayhouse).

Checks, made out to "The Place," memo "Holiday House 2021" can be mailed to:  
PO Box 2607 Cumming, GA 30028

*\*\*Remaining monetary resources at the close of The Place Holiday House 2021 will support other youth programs and services provided by The Place of Forsyth.*

Beginning **November 15th – December 9th** toy donations can be dropped off at various locations throughout the county. Please check our website for drop off locations.

### Opportunities to Volunteer

Due to continued COVID restrictions, we will be unable to accommodate our previous volunteer opportunities. We know this has been a holiday tradition for many of you and we truly hope to continue that tradition in 2022. Instead, we are asking you to *focus your energies on collecting gifts for these precious children as we expect to see an increase in the number of children we will serve.*

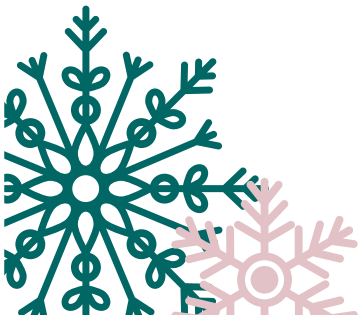

### Families in Need

If any families within your organization need assistance, please email [HolidayHouse@theplaceofforsyth.org](mailto:HolidayHouse@theplaceofforsyth.org) or refer them to their school social worker. We will make sure they get the assistance they need.

Thank you for your support. We need the entire community's help to make this event successful so that we can bring joy to the children in our community.

Please let The Place Holiday House be your **PURPOSE** this holiday season,

The Place Team

Where every Person, Dollar, and Hour

## A Place of Joy

In a few short months, the air will be filled with smells of the holidays and the atmosphere will carry feelings of merriment, good wishes, and joy. For many in the Forsyth County area, however, the Holiday season is met with stress, fear, and sadness. As these parents work to make it day-to-day, Christmas morning is simply an expense they cannot afford.

Last year, **The Place Holiday House** helped these parents provide Christmas joy for over 2100 children. We hope you'll let **The Place Holiday House** be your **PURPOSE** this holiday season!
